CHEAT SHEET

American mahjong tiles

Dots 1 to 9, four of each		36
Bams 1 to 9, four of each. The 1 Bam is often a bird		36
Craks 1 to 9, four of each		36
Winds North, East, West, South, four of each		16
Dragons Red, Green, White (Soap), four of each		12
Flowers Eight, all the same tile whatever the drawing		8
Jokers Eight, the wild tiles		8

Total, for League play **152**

Dragons go with a suit: Red with Craks, Green with Bams, Soap with Dots. On the card, Soap also counts as **zero**.

More than 152 in the box? Spare jokers and blanks replace lost tiles. For League play, take out the blanks and keep eight jokers.
